

# NEW EMPLOYEE REFERRAL PROGRAM

*Looking for some extra cash?* Know a friend looking for Full or Part time employment? Please refer them for a position here at The Arc! You will receive \$100.00 when your friend completes the probationary period and an additional \$200.00 will be awarded when he/she works a minimum of three months after their probationary period. That's \$300.00! Some restrictions do apply, please see Tina or Allison in Human Resources for more information. (Completed paperwork must be on file within 10 calendar days of the new employee's hire date.)
