NEPA Match Day is an exciting new initiative, and a way for us to show our support for our region's nonprofits and our belief that when we work together, we are stronger.

On May 1, 2015, NEPA Match Day, The Scranton Area Community Foundation is providing a \$25,000 match to 25 outstanding nonprofit agencies that serve Lackawanna County. Our partners will be working together as a collective on this important day. For every dollar raised by each of these nonprofits on May 1, the Scranton Area Community Foundation is going to provide a dollar for dollar match up to the first \$1,000 raised!

That's right...if you give \$20, we're going to make it \$40. Give \$100 and we'll make it \$200.

Our nonprofit partners do phenomenal work in our region. The efforts of their volunteers and employees provide assistance, education, and support services that touch nearly every facet of life and truly make NEPA a better place to live. So, on May 1st, let's give something back to these organizations that do so much! It's up to you to give what you can and on the First Friday in May, together, we can provide over \$50,000 to strengthen our nonprofits which strengthen our community.
